Dear Norm,

I wish to express my gratitude to you and your staff for their assistance in planning the July 4th laser show at the Burbank Starlight Bowl July 4th Star Spangled Salute. The grand finale laser show was filled with fantastic video images, spectacular lasers and nicely choreographed music. It was enjoyed by everyone who attended the evening. I truly appreciate the effort that was taken to plan such a spectacular event under such tight time restraints. I also appreciate your professionalism and efficient load in and load out of the equipment, rigging, etc.; you and your staff were a pleasure to work with. I look forward to working with you someday again in the future.

Sincerely,

A handwritten signature in blue ink that reads "Kristen Taylor Smith".
